NEXT GENERATION CREAM LIQUEUR

The House of Somrus is driven by flavor. We believe that beverages should be as flavor-forward as our food. Flavors add color and animation to our world. They expand our horizons and our conversations. Our unique recipes are authentically inspired by India and made for the world.

Everyone loves mango & when mango is married with real dairy cream & handcrafted rum, you have a taste sensation that keeps you coming back for more. Imagine a cross between mango, peach, nectarine & apricot, but better; featuring Alphonso mangoes.

COFFEE

Imagine a silky, creamy medley of rich roasted coffee notes & chicory, enhanced by real dairy cream, handcrafted rum & complemented by the perfect touch of sweetness. Inspired by Kaapi and New Orleans style coffee.
